CONCLAVE 2019

LEAD : LEARN : GROW : SERVE

Strengthen the bonds between chapters, members, and the national organization before returning to lead, learn, grow, and serve in a brand new year!

Each active KON chapter is eligible to send one official voting delegate to Conclave, identified through chapter procedures (typically the 2018-19 chapter president or another officer). Any number of chapter members may attend Conclave, but only the official delegate votes for the chapter. At a minimum, chapters are encouraged to support the official delegate with travel reimbursement. KON National reimburses registration for one official chapter delegate and any students presenting research.
